4. ROAD TRAFFIC ACCIDENTS

The following notes apply to all the tables in this section—

Accidents—Only those occurring on public roads and reported to the police are included. As from 1st July, 1957, only accidents causing personal death or injury or £25 or more in property damage were reportable.

Casualty Accidents—Those involving human death or injury. Owing to the limitation of the liability to report property damage accidents to cases involving £25 or more mentioned above it appears that some accidents involving only minor personal injury have not been reported since 1st July, 1957.

Persons Killed—Includes those dying within 30 days of the accident.
